EXCERPT FROM RULES AND ORDERS RELATING TO PRIVATE BILLS.

Rule 76.

ALL APPLICATIONS for Private Bills, properly the subject of legislation by the Legislative Assembly of British Columbia, within the purview of the "British North America Act, 1867"—whether for the erection of a Bridge, the making of a Railway, Tramway, Turnpike Road, Telegraph or Telephone Line; the construction or improvement of a Harbour, Canal, Lock, Dam, Slide, or other like work; the granting of a right of Ferry; the incorporation of any particular trade or calling, or of any Joint-stock Company; or otherwise for granting to any individual or individuals any exclusive or peculiar rights or privileges whatever, or for doing any matter or thing which in its operation would affect the rights or property of other parties, or relate to any particular class of the community, or for making any amendment of a like nature to any former Act—shall require the publication of a notice clearly and distinctly specifying the nature and object of the application, and when the application refers to any proposed work, indicating sufficiently the location of the work, to be signed by or on behalf of the applicant. Such notice shall be published in the British Columbia Gazette and in one daily and one weekly newspaper freely circulating in all parts of the Province. When the proposed Private Bill is of a local nature, the notice shall be furthermore published in some newspaper in the electoral district affected, or if there be no newspaper therein, then in the nearest electoral district in which a newspaper is published. Such notice shall in all cases be continued for a period of six weeks during the interval of time between the close of the next preceding Session and the consideration of the petition.

72. No Petition for any Private Bill shall be received by the House after the first ten days of each Session, nor may any Private Bill be presented to the House after the first three weeks of each Session, nor may any Report of any Standing or Select Committee upon a Private Bill be received after the first four weeks of each Session, and no Motion for the suspension or modification of this Rule shall be entertained by the House until the same has been reported on by the Committee on Standing Orders, or after reference made thereof at a previous sitting of the House to the Standing Committee charged with consideration of Private Bills, who shall report thereon to the House. And if this Rule shall be suspended or modified as aforesaid the promoters of any Private Bill which is presented after the time hereinbefore limited, or for which the Petition has been received after the time hereinbefore limited, shall in either case pay double the fees required as herein mentioned, unless the House shall order to the contrary. Any person seeking to obtain any Private Bill shall deposit with the Clerk of the House, eight clear days before the opening of the Session, a printed copy of such Bill, a copy of the Petition to be presented to the House, *together with copies of the notices published*. Such publication to be proved by affidavit or declaration to the satisfaction of the Clerk of the House. At the time of depositing the Bill, the applicant shall also pay to the Clerk of the House the sum of three hundred dollars. If a copy of the Bill, Petition, and notices shall not have been so deposited in the hands of the Clerk of the House at least eight clear days before the opening of the Session, or if the Petition has not been presented within the first ten days of the Session, the amount to be paid to the Clerk shall be six hundred dollars. If the Bill shall not pass second reading one-half of the paid fees shall be returned.

77. Before any Petition, praying for leave to bring in a Private Bill for the erection of a Toll

Bridge, is received by the House, the person or persons intending to petition for such Bill shall, upon giving the notice prescribed by Rule 76, also at the same time and in the same manner give notice of the rates which they intend to ask, the extent of the privilege, the height of the arches, the interval between the abutments or piers for the passage of rafts and vessels, and mentioning also whether they intend to erect a drawbridge or not, and the dimensions of the same.

78. All Private Bills for Acts of Incorporation shall be so framed as to incorporate by reference the clauses of the General Acts relating to the details to be provided for by such Bills. Special grounds shall be established for any proposed departure from this principle, or for the introduction of other provisions as to such details, and a note shall be appended to the Bill indicating the provisions thereof in which the General Act is proposed to be departed from. Bills which are not framed in accordance with this Rule shall be recast by the promoters and reprinted at their expense before any Committee passes upon the clauses.

82. All Private Bills shall be prepared by the parties applying for the same, and printed in Small Pica type, twenty-six ems by fifty ems, on good paper, in imperial octavo form, each page when folded measuring 10 $\frac{3}{4}$ inches by 7 $\frac{1}{2}$ inches. There shall be a marginal number every fifth line of each paper; the numbering of the lines is not to be run on through the Bill, but the lines of each page are to be numbered separately. Three hundred copies of each Bill shall be deposited with the Clerk of the House immediately before the first reading. If amendments are made to any Bill during its progress before the Committee on Private Bills, or through the House, such Bill shall be reprinted by the promoters thereof.

In the case of Bills to Incorporate Companies, in addition to the fee of \$300 mentioned in Rule 72, fees calculated on the capital of the company are payable at the same time. Further particulars can be had on application to the undersigned.

Every Petition for a Bill to incorporate a company shall state the name of the proposed company.

Petition signed by agents or attorneys must be accompanied by the authority of such agent, etc.

Dated October 30th, 1922.

P.C. No. 714.

AT THE GOVERNMENT HOUSE AT
OTTAWA.

* Wednesday, the 24th day of April, 1929.

PRESENT:

THE DEPUTY OF HIS EXCELLENCY THE
GOVERNOR-GENERAL IN COUNCIL.

WHEREAS the Minister of the Interior re-
ports:

That by Order in Council of the 11th February, 1890 (P.C. 2065G), an agreement was entered into with the Province of British Columbia for the administration of mineral lands in the Railway Belt in that Province, under the terms of which the Government of Canada undertook to make no disposition of minerals in the Railway Belt (except

coal) other than by patent in fee-simple of the lands in which such minerals were found, to the intent that the minerals in the said Belt, other than coal, should be administered under the mining laws of the Province:

That this arrangement was afterwards modified so that the administration of petroleum and natural-gas rights in the Railway Belt remained with the Dominion Government:

That under the agreement with the Province, when the recorded owner of a mineral claim has fulfilled the requirements of the "Mineral Act" of British Columbia, application is made by the Province to the Dominion for a grant of the surface rights and base metals:

That an Order in Council was passed on the 20th August, 1925 (P.C. 1336), transferring to the Province of British Columbia all undisposed-of base metals, except coal, petroleum, and natural gas, underlying lands for which the Dominion Government had issued patents, up to and including the date of the last-mentioned Order in Council, in which patents mines and minerals had been reserved (with the exception of lands within Dominion parks and forest reserves and lands granted for right-of-way for the Canadian Pacific and Canadian National Railways):

That on the 8th day of April, 1911, Letters Patent issued to the Honourable Richard McBride for a parcel of land situated in the South Half of Section 2, Township 5, Range 5, west 7th meridian, along the easterly shore of Pitt Lake, known as "Block A," reserving all mines and minerals to the Crown.

That by the Order in Council of the 6th June, 1928, P.C. 962, the available portions of the lands covered by the above-mentioned lots were transferred to the Government of the Province, including both surface rights and base metals:

That there were, however, certain portions of the lots which were not covered by the Order in Council last mentioned, having been previously disposed of, or being covered by the waters of Pitt Lake; and

That application has now been made by the Provincial authorities for a transfer of the base metals underlying those portions of the eight lots in question which are not covered by the Order in Council of the 8th June, 1928, P.C. 962; that is to say, that portion of "Incline" Mineral Claim, being Lot 5577, within Sections 35 and 36, Township 4, Range 5, west 7th meridian; that portion of "Ex-Premier" Mineral Claim, being Lot 5578, within parcel of land known as "Block A," in the South Half of Section 2, Township 5, Range 5, west 7th meridian; and portions of "Ex-Premier" Mineral Claim, being Lot 5578; "Pioneer" Mineral Claim, being Lot 5579; and "Missouri" Mineral Claim, being Lot 5574, covered by the waters of Pitt Lake. the south-eastern limit of said "Incline" Mineral Claim; thence north twenty-one degrees and thirty minutes east along the last-mentioned production a distance of two hundred and seventy-one feet and three-tenths of a foot, more or less, to a standard post and stone mound on the north boundary of said Section Thirty-six distant three hundred and forty-one feet and nine-tenths of a foot measured easterly along the said north boundary of the said Section Thirty-six from the said north-east corner of Section Thirty-five; thence westerly along the said north boundary to the place of commencement; all the bearings being astronomical; the said parcel of land as above described contains an area of two and fourteen-hundredths acres, more or less:
